Civil Action No. 06-409-GMS

STIPULATION AND JOINT MOTION FOR PROTECTIVE ORDER

Plaintiff, United States of America, on behalf of the United States Environmental Protection Agency ("EPA"), and Defendant Wilmington Economic Development Corporation ("Defendant") have hereby stipulated that discovery in this case will involve the production of documents which have been submitted to EPA by various contractors (listed in Annex 1) (hereinafter "submitter(s)") containing information which may be entitled to confidential treatment. In view of this stipulation, the Court finds that good cause exists for issuance of an order limiting disclosure of such information. Upon consideration of the joint motion for such an order filed by the parties hereto and pursuant to Rule 26(c), Federal Rules of Civil Procedure, It is Hereby Ordered:

1. Plaintiff shall produce the document(s) containing information which may be entitled to confidential treatment to the Defendant and such document(s) shall be handled in accordance with the terms of this Stipulation and Protective Order ("Protective Order").

2. As used in this Protective Order, the term "confidential business information" means trade secrets or commercial or financial information submitted by a person (as defined in

40 CFR Part 2, Subpart B) to Plaintiff and which may be entitled to confidential treatment under 40 CFR Part 2. This information has not been determined by Plaintiff under 40 CFR Part 2, Subpart B not to be entitled to confidential treatment.

3. Any information to be produced by Plaintiff pursuant to this Protective Order shall be stamped conspicuously with the words "CONFIDENTIAL BUSINESS INFORMATION" by the Plaintiff on the bottom of each page of each document prior to production to the Defendant. The transmittal of information designated as confidential business information shall be done by letter from the Plaintiff stating that the information designated as confidential business information is subject to this Protective Order.

4. Information designated as confidential business information under this Protective Order shall not be used or disclosed by the Defendant or any other person, subject to Paragraph 7 below, for any purpose other than the preparation for, and trial of, this action and any appeal thereof.

5. The Defendant and Defendant's counsel who obtain information designated as confidential business information hereunder, and any nonparty subject to this Protective Order, shall not disclose or permit disclosure of this confidential business information to any other person, including without limitation any officer, director, employee, agent, or representative of Defendant, Defendant's counsel, or any nonparty, except in the following circumstances:

a. Disclosure may be made to employees, including officers and directors, of Defendant or of Defendant's counsel who have responsibility for the preparation and trial of this action or any appeal thereof. Any employee to whom disclosure is made shall be advised of, and become subject to, the provisions of this Protective Order prior to such disclosure by executing the Confidentiality Agreement annexed hereto (Annex 2). Employees do not include person,

firms or corporations engaged by Defendant or Defendant's counsel on a contract basis, who shall be subject to the requirements of subparagraph (b) of this Paragraph.

b. Disclosure may be made to consultants, witnesses, experts, or employees or experts ("Expert(s)") employed or otherwise engaged by any party or counsel to any party to assist in the preparation and trial of this litigation. Prior to disclosure to any Expert, the Expert must agree to be bound by the terms of this Protective Order by executing the Confidentiality Agreement attached hereto (Annex. 2). A copy of each executed Confidentiality Agreement shall be furnished to the Plaintiff and submitted not less than five (5) business days prior to disclosure to the Expert.

6. Defendant, Defendant's counsel, and any other person subject to this Protective Order who obtains information designated as confidential business information hereunder, shall take all necessary and appropriate measures to maintain the confidentiality of the information, shall share such information only with persons authorized to receive it pursuant to this Protective Order, and shall retain the information in a secure manner. Except as provided in Paragraph 5 above, no other person shall be permitted access to the information.

7. Any person who obtains access to information designated as confidential business information under this Protective Order may make copies, duplicates, extracts, summaries, or descriptions of the information or any portion thereof only for the purpose of preparation for litigation in this matter. All copies, duplicates, extracts, etc. shall be subject to the terms of this Protective Order to the same extent and manner as original documents.

8. Any information designated as confidential business information under this Protective Order, which a party wishes to file with the Court, shall be filed with the Court in sealed envelopes or other appropriate sealed containers on which shall be endorsed the caption of

this litigation, as indication of the nature of the contents of such sealed envelope or container, the words "CONFIDENTIAL BUSINESS INFORMATION", and a statement substantially in the following form:

"This envelope , containing documents which are filed in this case by XXXXXXX ("the producing party") is not to be opened and the contents are not to be displayed or revealed except by order of the Court or the consent of EPA."

In addition, if such documents have been sealed and filed with the Court, the submitter shall be informed of this by the filing party at the time of filing.

9. Any authorized disclosure of information designated as confidential business information under this Protective Order shall not result in a waiver of any submitter's claim of confidentiality.

10. If Plaintiff desires to add contractors to the list in Annex 1, Plaintiff may file written notice with the Court and the Defendants of the identities of such contractors. If the Defendants do not object within three days of receipt of such notice, the contractors will be added to Annex 1.

11. Within 60 days after termination of this action by judgment, settlement or otherwise, or as may be determined by the Court or EPA:

a. Any person who obtained information designated as confidential business information hereunder shall assemble and return such information to Plaintiff, including all copies, duplicates, extracts, summaries, or descriptions of the information or portions thereof. Such return shall be certified in writing by the person who obtained the information from EPA. All such information covered by this Protective Order which constitutes the work product of counsel for the Defendants shall be destroyed; and,

b. The Clerk of the Court shall maintain under seal all papers filed under seal until the Court orders otherwise.
